CCV Students Working for the Common Good

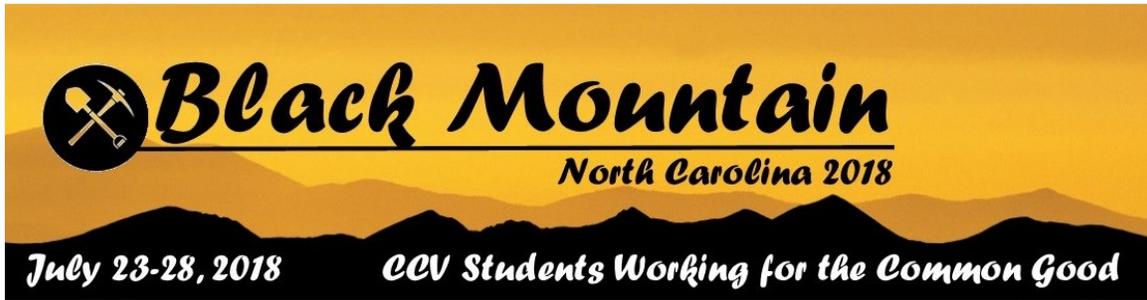

*"Therefore, my dear friends, as you have always obeyed—not only in my presence, but now much more in my absence—continue to **work out** your salvation with fear and trembling,¹³ for it is God who **works in** you to will and to act in order to fulfill his good purpose."*

- Philippians 2:12-13

**Christ Church Vienna Student Ministry
Middle & High School**

This summer mission season will give many of our students the opportunity to share the hope of Christ, strengthen their faith and sacrificially serve those in need. We will offer our students an experience where they will be challenged to grow, through living and serving in community and in sharing their faith verbally and through acts of service.

Our Student Mission teams will be assembling in the next several weeks and because of the deposits and commitments we are having to make up front to secure travel and service accommodations, the deadline for registering this year will be **Jan 14, 2018**.

A large part of our mission team’s growth occurs before we ever leave home. Through the required studies and fundraising efforts, our group will become a team and be equipped to go and make a difference.

Middle & High School Project
