Adult Local Missions  
Opportunities  
July 11<sup>th</sup> - 14<sup>th</sup>**

This Summer CCV will host a Children's Camp that will be offered to love and share the Gospel with local elementary school children which come from new immigrant families in Vienna.

This will be a camp which we will host at Madison High School and will operate during the day, from 10:30am -2:30pm and include lunch for children, their families and the staff (from approx. 12:15-12:45pm) each day.

While we will be serving the children directly (as camp counselors) with students and leaders from our student ministry  
- **We will need many adult volunteers to help with food and support tasks for the camp (Camp Chainbridge).**

**Would you consider helping us serve our neighbors in this way? Even if you can only help one day- it would make a huge difference.**
